LETTER OF RECOMMENDATION

To Whom It May Concern

I am pleased to recommend **Mr. Karan Singh Rathore**, who worked with **Spinex IT Solutions** as **UI/UX Design Intern** from 1 June 2026 to 31 August 2026.

Karan designed the complete app flow for a client's food delivery platform and presented it to the client on his own. He takes feedback well and improves quickly.

Karan is reliable, learns quickly and works well in a team. I recommend Karan without reservation for the Master of Design programme and am happy to share more information if needed.
